**Thank  
you!**

**Thanks to you,  
mums feel comfortable  
breastfeeding in Sheffield**

**When you're a breastfeeding mum,  
small things can make a big difference.**

A welcoming smile, a comfy seat or the simple fact that nobody seems bothered.

All these things combine to make our Sheffield mums feel happy breastfeeding in public.

And happy mums, mean happy babies!

*Thanks for helping us and the rest of  
Sheffield in being Breastfeeding Friendly*
